Thank you for your interest in Fast Back Ropes. As you can imagine we receive many sponsorship requests on a daily basis. We are always looking for talented and upstanding ropers to represent the Fast Back brand. With the highest quality ropes on the market, we expect members of the Fast Back team to represent the company accordingly. Members of the Fast Back team should be drug free and conduct themselves in a professional manner – in and out of the arena.

In exchange for qualifying for the Fast Back endorsee program we require endorsees to help promote rope sales by visiting stores and encouraging ropers to purchase Fast Back ropes at their local dealers.

The goal at Fast Back is to become the rope of choice for team ropers. This can be accomplished through time, with the help of our Fast Back team. We value the relationship with members of our team and will celebrate your accomplishments as you strive towards your goals.

Please fill out the enclosed questionnaire completely and honestly and return it to me at your earliest convenience. On the back of the questionnaire please include how you can contribute to the growth of Fast Back ropes. Also include any information you feel necessary. Please include a photo of you roping as well as a good face shot.

We will review your questionnaire at the earliest convenience and will be in touch once the process is complete. Please let me know if you have any questions.

Sincerely,

Teri Edwards
